Caroline Johnson, Principal
The Village High School

Dear Caroline,

In accordance with Environmental Protection Agency regulations, Academy District 20 is required to notify all parents, staff, and employees of the status of asbestos in their building(s).

Attached is a letter that must be posted on your school website.

A copy should be permanently mounted on the school bulletin board, and a copy should be placed in your Asbestos Management Plan binder.

Best Regards,

David Arnold

MEMORANDUM

TO: Parents, Visitors, and Staff Members
The Village High School

FROM: Dave Arnold
FM Supervisor- Compliance/Grounds

DATE: August 21, 2026

SUBJECT: Asbestos Notification

In 1986 the Asbestos Hazard Emergency Response Act (AHERA) was signed into law requiring all non-profit Public and Private Schools (K-12) to inspect for the presence of Asbestos Containing Building Materials (ACBM). Academy District 20 has completed the initial inspection on all buildings in the district and continues to monitor the status of any materials found during inspections. A copy of the inspection, subsequent re-inspections, and the Management Plan devised to keep in compliance with applicable regulation can be viewed at the Facilities Management office located at 10221 Lexington Drive, Colorado Springs, CO 80920.

Your school was inspected for asbestos on 9/1/20 and asbestos containing materials were found. Be assured that the students and staff are being protected from exposure by a perpetual program of control, inspection, and preventative maintenance.

Academy District 20 is committed to providing a safe and healthy environment for our students and staff.

Please contact the offices of Facilities Management at 719-234-1500 to discuss your thoughts and concerns regarding asbestos.
